SUMMER TREES LADIES CLUB

Welcome! The Summer Trees West Ladies Club extends a personal invitation to all ladies of Summer Trees. As a new neighbor, we hope you will join us! Our club is designed to be fun and productive while becoming acquainted with other women in our community who share a common interest. We are always pleased to add new members who bring new ideas and energy to the club.

We enjoy monthly luncheons, a Christmas and Holiday Party, and various get-togethers for the Summer Trees West community. Periodically we conduct a charity drive.
