BOARD MEETING MINUTES
THOUSAND OAKS
JULY 15, 2014

The Thousand Oaks board had a brief meeting on July 15 at 9 a.m. The purpose of the meeting was to discuss the following:

- Removing 10 palm trees (unanimously approved)
- Should we change our current termites protection company? (Board thinks so. We need to look at other options.)
- Should we purchase mud dauber traps and install them in the entrances? Yes. Board approves.
- Should we get a new pool maintenance company? No. Board agrees that the current one is doing a good job.
- Staining the garbage surrounds. (Board members chose dark gray and we will do this in a month or two.

The meeting was held in Unit 8A, and a notice was placed on the community bulletin board in accordance with regulations.
